

Choosing the right chairmat

will provide years of surface protection.

- Extend carpet life
- Protect fine hard floors
- Ensure smooth mobility

STEP 1 FLOOR TYPE

CARPETED FLOORS **HARD FLOORS**

For best performance, select a thicker mat for heavier weight or higher usage

HIGHER LOAD & USE

- ALL PILE / HARD FLOOR: Polycarbonate
- HIGH PILE: Over ¾" Thick
- MEDIUM PILE / HARD FLOOR: ½" Thick
- LOW PILE: ¾" Thick
- LOW PILE / HARD FLOOR: ¼" Thick

LIGHTER LOAD & USE

ICONS

<p>Studded/ Gripper Back Notched studs grip carpet, but won't pierce or damage carpet backing.</p>	<p>Anti-Static Designed for use with sensitive electronic equipment. Chemically formulated to dissipate static electricity before it has a chance to damage sensitive equipment.</p>
<p>Smooth Edge Smooth edge for easy-on/easy-off chair movement.</p>	<p>Checked Back Premium mat features innovative checked grid on bottom for optimum carpet grip.</p>
<p>Crystal Clear Transparent mats let the beauty of your flooring shine through.</p>	

STEP 2 WORKSPACE

SIZE & SHAPE

Measure your allowable rolling distance and pick the shape that best fits your area.

<p>RECTANGLE Versatile for use with most desks</p>	<p>LIPPED For use under desks with smaller opening</p>	<p>WORKSTATION For use with L-configuration and corner workstations</p>	<p>CONTOUR For use in modern offices</p>

STEP 3 SELECTION

FEATURES TO CONSIDER

Determine if these features meet your specific needs...

DECORATIVE	POLYCARBONATE	RECYCLED	ANTI-STATIC	GLASS CLEAR	BLACK MAT	STANDARD

MEASURING CARPET THICKNESS

- Open one end of a paper clip
- Insert paper clip into carpet and pad, pushing down to the sub-floor.
- Measure the portion of the paper clip that entered the carpet and pad.

Why you need a chairmat...

DID YOU KNOW?

A chairmat provides smooth mobility, reducing the amount of stress on your back.

DID YOU KNOW?

The thicker the load and usage the thicker the vinyl chairmat you should choose.

DID YOU KNOW?

Using soft wheel casters increases chairmat performance and extends mat life.
